Opening CNN Student News

Work Period Monday: Students will complete a new set of vocabulary notes using Google slides. Each slide will include an illustration, definition, real-world example, and a sentence demonstrating an understanding of the meaning of the vocabulary word.  
Tuesday-Wednesday: Students will read and complete cloze notes and chapter questions from Chapter 11 in the social studies textbook. Chapter questions will be assessed on the clickers in class and students will go back and make corrects and then compare notes with an academic partner to make sure everything is correct.  
Thursday - Students will create a set of 15 multiple choice questions with A - D answer choices from chapter 11. These questions will be shared with a partner to review for the test. Chapter questions will be assessed on the clickers in class and students will go back and make corrects and then compare notes with an academic partner to make sure everything is correct. Students will be able to take a practice test on the computer if they did not study last night.  
Class will take a test over Chapter 11 and the vocabulary slides.  
Friday: We will be reading articles and answering questions on current events from Scholastic magazine in class together.  
ELT: Students will reassess the last test as needed.

Closing We will play games related to chapter 11 and vocabulary.

Differentiation A Academic Partner - Student pairs with partner chosen by teacher to complete assignment/activity.

B Think/Pair/Share

C Flexible Groupings- These are fundamental to the differentiated classroom. Students move into and out of small groups either by choice or by teacher assignment. Students work with many
