Work Period Monday-Thursday: Students will read Chapter 12 as a class. Cloze notes have been provided on Google Classroom and students will fill in missing information from the text. This week's schedule will change because of statewide testing so each class will move through the chapter and questions as we can together. We will put answers in the clickers later this week after we have worked through the chapter and eventually have a test over the material after we review, tentatively scheduled for Friday but may be moved to next week if necessary. Friday: We will be reading articles and answering questions on current events from Scholastic magazine in class together. ELT: Students will reassess the last test as needed.

Closing We will play games related to chapter 11 and vocabulary.
